Product data sheet
Subminiature connectors

Product description	**Snap-In Adapter, unshielded, Front mounting**
Area	**Snap-In IP67**
Series	**620**
Part no.	**08 2636 000 001**

Illustration (may vary)

Scale drawing

You can find the component part drawing and assembly instructions on the next page.

Technical data

General features

Part no.	08 2636 000 001
Connector design	Adapter
Version	Adapter
Weight (g)	3.90
Customs tariff number	85366990

Electrical parameters

Pollution degree	2
EMC compliance	unshielded

Material

Housing material	PA
Contact body material	PA (UL94 V-0)
REACH SVHC	CAS 7439-92-1 (Lead)
SCIP number	392ad839-9fc9-4d7e-97e4-86d370bc93bb

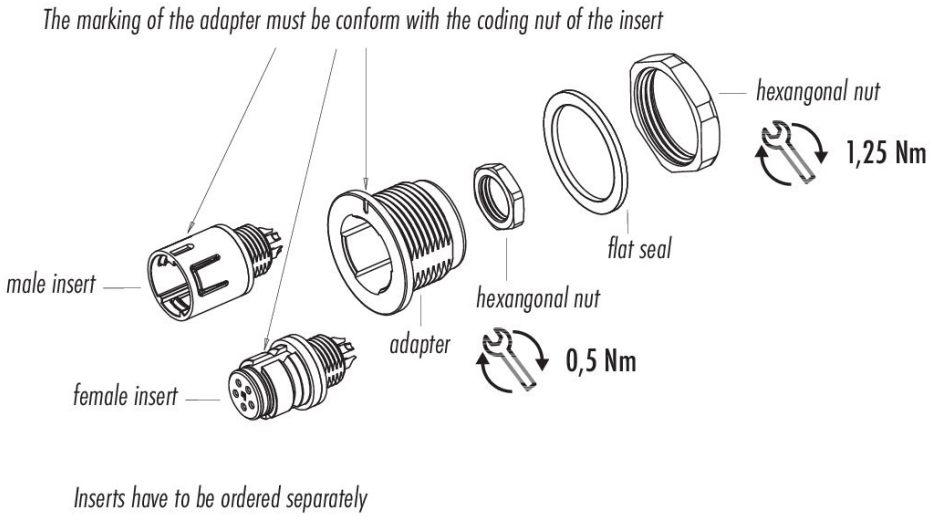

Classifications

eCl@ss 11.1	27-44-02-08
ETIM 9.0	EC002638

Security notices

The connector must not be plugged or unplugged under load. Non-observance and improper use can result in personal injury.

The connectors have been developed for applications in plant engineering, control and electrical equipment construction. The user is responsible for checking whether the connectors can also be used in other areas of application.

Connectors which are used in circuits with voltages dangerous to the touch may only be installed and used by, or under the supervision of, persons with electrical engineering training, taking into account the applicable regulations and standards.

The user must take suitable safety precautions to ensure that the connector cannot be accidentally disconnected.

Plug connectors with enclosure protection IP67 and IP68 are not suitable for use under water. When used outdoors, the plug connectors must be protected separately against corrosion. For further information on the IP protection classes, please refer to the "Technical Information" download centre.

Please observe the pollution degree and the overvoltage category. For further information, please refer to the download center "Technical Information".
